Dear Patients:

It is with mixed emotions that I am announcing my departure from Atlantic Digestive Specialists, effective April 18, 2020. My family and I have recently decided to move to Sarasota, Florida, where I will be joining a new gastroenterology practice. It has been a great pleasure providing for your health care needs over the years, and it is not easy for me to make this decision to relocate.

Atlantic Digestive Specialists has ten other gastroenterologists, including five based here in Somersworth, and any one of them would be happy to take over your care. You can learn more about them at our website, www.atlanticdigestive.com. I am glad to have left the care of my patients in their capable hands.

Of course, you may seek medical care from another doctor if you like. If you choose to do so, I recommend looking for a new physician as soon as possible.

Your medical records are confidential, and will remain with Atlantic Digestive Specialists. You do not have to do anything to effect that transfer. If you choose to you can also have your records released to another doctor who is not here at Atlantic Digestive Specialists, or may have your records released to you or another person you designate only through your permission. If you do choose to see a physician who is not part of Atlantic Digestive Specialists, please request an authorization form, complete it, and return it to my office as soon as possible so we may transfer your records to your new doctor. Until then, your records will remain on file at my former office.

I have greatly valued our relationship, and thank you for your loyalty and friendship over the years. Best wishes for your future health.

Sincerely,

Jaime A. Baquero, MD
